All donations support children and youth in foster care who live with foster families or in group homes. We ask that all donated items be new. In addition to pajamas for all ages, this year we are especially seeking new, unwrapped gifts for children ages newborn to 3 and youth ages 12+. We are also collecting new packages of underwear and socks, as well as new hats and mittens. This is one of our most beloved holiday traditions, and we are incredibly grateful for your support and enthusiasm!
